COPPOLA
DESIGNER HAIR CARE

No matter how frizzy, curly or unruly your hair is **Keratin Complex** will straighten and condition your hair beyond your wildest dreams. Even if your hair is over processed, coloured or bleached, **Keratin Complex** will make your hair straight, smooth, silky and resistant to humidity and frizz... and much easier to style!

Make sure your hairstylist is using genuine **Keratin Complex** by **Coppola**. Look for the **Keratin Complex** logo which is always displayed. **Keratin Complex** does not contain toxic ingredients such as Formaldehyde (Formalin), Ether, Methylchloroisothiazolinone, Propylene Glycol or Cetareth-20. **Keratin Complex** contains more Keratin than any other brand to ensure you have straight, smooth hair with no frizz for up to 5 months.
